

James R. Cochran **Indianola**
 Jim, an Industrial Engineering major, is very interested in outside activities. He served as Public Relations Chairman on Homecoming Central Committee last fall. He also does a great deal of campus photography. He was Staging Chairman of 1956 Veisheathon, and is an active member of The Knights of St. Patrick Engineering honorary.

Allan Vegell **Elmhurst, Ill.**
 Al, majoring in both Mechanical and Electrical Engineering, seems to be kept pretty busy in his schoolwork. He has been the Treasurer of the house and was active his year in Greek Week and Veishea.

Glenn Tirsell **Indianapolis, Ind.**
 Glenn transferred to Iowa State from Indiana University to do his freshman graduate work in physics. Glenn, being over six feet tall is a tough rebounder and a tough man to have against you in volleyball. He has given the sophomores tremendous help in laboratory and class work problems in physics.

Kenneth R. Lovrien **Humbolt**
 Ken is majoring in Farm Operations. He has been credit manager of the Iowa State Daily, the college newspaper, and has served important functions on Homecoming and Veishea committees. He is also an outstanding performer on many house intramural athletic teams.

JUNIORS

Robin Thompson **Des Moines**
 Robin is another Industrial Engineer major. He is past Vice-President, Rush Chairman, and President of the house, and has been very active in the intramural activities. Robin is also very active in outside activities. He was Secretary of the Interfraternity Council this year and was a member of the 1956 Homecoming Central Committee.

Hugh Jarvis **Chicago, Ill.**
 Hugh, is a Marketing Industries major. He has been active in the Ag. Business Open house during Veishea and is also a member of the Ag. Business Club. Hugh worked as our public relations chairman for the house this year, especially during Veishea.

Ronald N. Taylor **Des Moines**
 Mechanical Engr. is Ron's major. His interests are mostly for music, as shown by his membership in Iowa State Singers, Festival chorus, Singer's quartet, house quartet, and past song leader for the house. He is past recording secretary for the house, and also one of the chief organizers of the I.S.C. Veterans Organization.

Bob Dittus **Western Springs, Ill.**
 Bob is the present President of the chapter. He gained his experience by serving the chapter as ass't Treasurer, Rush Chairman, and the 1955 Homecoming Display Chairman. Bob is an Industrial Engineering major, and is currently serving the I.E. honorary, Gamma Epsilon Sigma, as secretary. Bob also served as ticket chairman for last years Engineers' Carnival.

Terry Detrich **Des Moines**
 Terry, an Industrial Engineering major, has been chairman of the I.E. Open-house, and is now Treasurer of the A.I.I.E. club. Terry is also a member of the regular NROTC program, and has been active in intramural softball, basketball, ping pong, and football.

Stefan Paciotti **Eveleth, Minn.**
 Steff, an Industrial Administration major, is known through campus for his music ability. He arranges the music and leads the Delt quartet. Steff enjoys talking about the big snows he has at home compared to Iowa's snow. Undoubtedly though the thing Steff enjoys most is dating.

Bud Soultz **Adair**
 Bud, an Agronomy major, has been quite active in the Agronomy Club and spent many hours working on the Agronomy Open House for Veishea. Aside from his interest in YMVA work, Bud has been very active in intramural sports and is presently our intramural chairman.

Bill Dahl **Indianola**
 Bill has chosen Chemical Technology for his major. He has served as Corresponding Secretary, Rainbow Correspondent and Greek News Correspondent for the house and has been active on the intramural teams. As a member of the Regular NROTC program, he has spent his summers as a world traveler.

Jerry Mundt **Everly**
 Jerry's major is Ag. Business. He is Rush chairman for the house and is now publicity coordinator on the Interfraternity Rush Committee. During the last year, Jerry has participated in Homecoming and Greek Week activities. In intramurals he has participated in volleyball, track, and gold. He is a member of the Ag. Business Club and worked on the Ag. Business Open House for Veishea.

Duane Bingham **Clarion**
 Duane, more commonly known as "Bing," is an Industrial Education major. He is the present fraternity Vice-president, and is very interested in outside activities. He is a member of the I. Ed. Club and is the I. Ed. senior representative to Ag. Council. Bing is also a member of Epsilon Pi Tau honorary society.
