

Dear Alumni:

Another full and successful year has come to an end here at Gamma Pi. As we look back over the year we can recall many wonderful memories and events which have taken place. Work Week, Homecoming, our Delta-She-Delta party, our Pajama party, our Orchid Formal, Veishea, and our Lucky Pierre's. In addition to helping plan and carry out the above we initiated thirteen fine young men. These fellows are anxiously awaiting next fall and their role as actives.

Other things have been accomplished as well this year. After the city of Ames had made a complete mess out of our parking lot our Civil engineers took over and put everything into good shape. The Mother's Club along with the House Corporation gave the house a new garbage disposal unit for the kitchen. The active chapter installed a new high fidelity phonograph system in the entire downstairs area. In addition to these things, long range plans have been made to landscape our lot.

We realize that only through your cooperation with us and listening to your advice will we be able to maintain our standing on this campus. We urge you, if you have anything that you would like to know or would like to see in the Gamma Pi Punch, to write to us. Also it is only through you that we are able to obtain names of fine young men coming to school. It is only by your letters of recommendation that we are able to rush these fellows in the fall.

If ever any of you go through or visit Ames we would like to have you drop out and visit with us at the shelter no matter when it may be. We would like to thank you for the fine cooperation and support that you have given to us in the past, and we hope that you will continue doing so.

Fraternally
Murray Johnson
Alumni Relations Chairman

ALUMNI REGISTER

This portion of the magazine was compiled for those who wish to obtain information on the whereabouts of Gamma Pi alums. According to both our files and those of the Arch Chapter this directory is correct, but there are bound to be some errors. Any corrections submitted will be greatly appreciated.
